Dear Brothers:

What a Reunion! Thanks to Jeff Bennett for doing most of the heavy lifting to make it such a great event. All had a great time and reaffirmed the reasons we pledged or started KA so many years ago. It was very satisfying to see the active chapter so strong. They are fine young men that were just like us at that age. Personally, it was very rewarding to see so many alumni share the pride of being a part of Kappa Alpha Order. Young men need our help to develop a lifetime of brotherhood that we still share today.

For those of you that didn't make the Alumni Meeting Saturday morning we discussed several items to help strengthen the alumni association through both financial support and regional organization. We will talk more about the district gatherings later but I want to follow up on the financial aspects of the association. To recap as of Dec 1 the mortgage stands as such:

We owe \$70,421.55 at a 12.5% a year rate.

We would like to payoff the mortgage – we need to raise \$70,000 to do so. We got pledges for:

If you can find it in your finances and heart to help save the alumni a significant amount of interest, almost \$30,000, we need your help and it would be greatly appreciated.

The chapter will still be paying the same amount of rent but the proceeds will be going to saving for a new house at Texas State not paying interest.

Please let me know your thoughts, questions, and interest in helping us payoff the note. I am happy to answer emails but if your questions are more in-depth just give me a call. My office number is (281) 647-0000 ext. 101. I look forward to hearing from you at david.cade@amerifin.com with your questions or comments.

My best regards to you and your family,

David W. Cade
